

1. Go to the site: read2dream.com

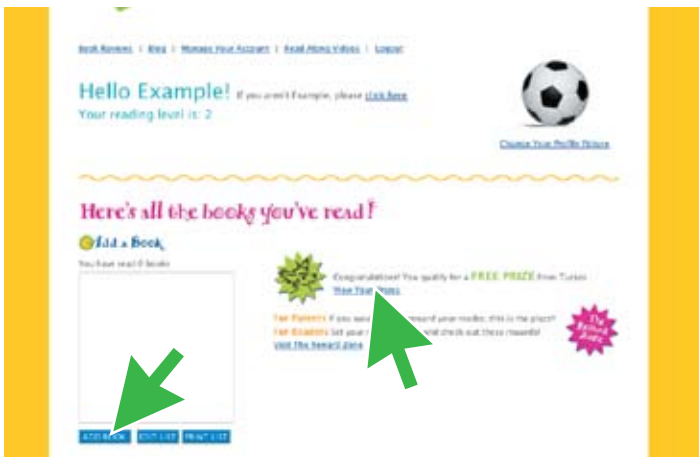

2. Click on registration form

3. Fill in registration.
No last names or identifying information is required.
Sample book titles are provided to help select a reading level.
You can use the same email for all your children's accounts.

4. Registration is complete. Use the name and password you just created to login. (If you forget them, use the link provided. Make sure to use the login — not the registration form.)

5. Congratulations you're a member!
Get the free prize for starting a new level.
Add a book... have fun on the site!

6. Add a book or chapter title. Rate and click Add Book.
Check the book shelf on your account page!
